

Legal Placements, Inc. Staffing and eDiscovery Services

The beginning of 2016 brought some exciting changes to Legal Placements, Inc., (LPI). Advanced Discovery, a leading eDiscovery service provider, merged with, LPI, allowing LPI to expand the scope of services we are able to provide to our clients.

For over twenty years, LPI has been recognized as an industry leader in assisting law firms and corporations in staffing contract and direct hire positions in areas such as contract attorneys, legal secretaries, support staff positions, accounting, and technical professionals. LPI has also provided support to more than 200 law firms, staffing a vast number of document reviews with qualified attorneys (both English and foreign languages) and hosting reviews in the LPI auxiliary space.

The addition of LPI's internal resources and the Washington, DC document review facility adds to Advanced Discovery's already strong presence in the DC market, which includes a data center, review center, paper services and operations facilities.

The synergy of the companies will allow LPI and Advanced Discovery to work in concert and bring to law firms and corporations a more inclusive and expansive list of services and the ability to be a staffing resource in a number of cities throughout the United States. We now have offices in New York, Washington, D.C., Chicago, Kansas City, Dallas, Austin, San Francisco, Mountain View, San Jose, Los Angeles, Century City, Irvine, Detroit London and Dubai.

Along with our staffing services, LPI is able to now provide the full spectrum of eDiscovery services to the clients we serve including forensic collections, managed review services eDiscovery technology and access to a SSAE 16 Type 2 data center in the D.C. area to name a few.

This client-driven growth strategy will bring to the clients we serve an even stronger level of commitment to their needs in both the staffing and eDiscovery industries.
